LODES

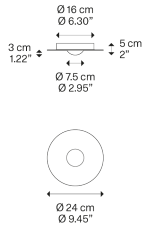

Bugia,
Design by Andrea Tosetto

Model Bugia Single

Bugia Round, compact forms featuring elegant finishes with a centre that shines like a precious stone. Once lit up, Bugia amazes with the unexpected effect of its light. A surprising and harmonious balance between direct and indirect light, diffused both downward and up toward the ceiling. A rich family of ceiling lights, in Single, Double, Triple and now also Mega versions.

Bugia Single

Light source

AC LED
2700 K
15 W
1320 lm
220–240 V
