

A-Tube Nano,  
Design by Studio Italia Design

Model A-Tube Nano medium

A-Tube Nano is a suspension lamps which interprets light in its simplest form by creating a thin luminous line in the living spaces . At the lower end of the lightweight aluminium structure, a transparent methacrylate diffuser houses an LED module whose light creates a soft, welcoming atmosphere. The three sizes and six statement finishes allow to create clusters of evocative lighting.

A-Tube Nano medium	Light source	Structure: Metal	Diffuser: Methacrylate	Code 2700 K	Code 3000 K
