

Radial System  
Model Up to 12 Lights Radial

Lodes’s radial system is an innovative structure which allows to manage different individual suspension cables separately starting from one canopy. This system is, therefore, useful for building multiple ceiling or wall compositions with an unusual shape or to increase the potential of a single wall or ceiling light point. It also allows to efficiently and elegantly illuminate irregular ceilings or with beams.

Up to 12 Lights Radial

Structure: Metal

	Matte White – 9010	R10L12 1000U
	Matte Black – 9005	R10L12 2000U
