LODES

IVY V,
Design by Vittorio Massimo

Model Single Mini

IVY is a minimal, geometric lighting piece composed of a ring hanging on a cable, which gives power to a made to measure LED module. Designed with single and double cables (IVY I and IVY V respectively), IVY responds to the need for flexibility, an increasingly contemporary theme in architectural practice and restoration, allowing the luminaire to be released from its ceiling derivation.

Single Mini	Structure: Metal	Code
	Matte Black – 9005	R02L01 2000

Net weight: 0.13 kg | Parcels: 1 | CE | IP20
